**Discussion**

VanderGraaff-stated that parcel number 150-001-200-030-02 had been incorrectly included in staying as a Residential-2 designation as passed at the February 20 regular planning commission meeting. As a result the new ordinance book and map needs to be adopted reflecting the corrected map color on that parcel.

Ziegler-So we need a motion to pass the new 2008 ordinance book with the one parcel on the map incorrectly colored R-2 being hand labeled AG/RES?

Huepenbecker-Yes

**Motion:** By Huepenbecker to approve the new 2008 Lexington Ordinance book as presented with exception of parcel 150-001-200-030-02 on map to remain Agricultural/Residential A2 as is hand written in.
