**Z.A. Report:** VanderGraaff

Concerning the December 13 work session the planning commission had with Car/Wortman before the public visioning workshop; I was told by Car/Wortman that the work session beforehand didn't need to be posted. I have since found out from the MTA that this is not correct. On the advice of our Township Attorney, at the April 21 work session Dave Scurto will have to go through the information again and that meeting will be posted. Therefore, we will be having 2 separate workshops on April 21<sup>st</sup>.
